

**GENERAL TOOL**

# Introducing 7" T-Blade for Hard Materials

Part Number | RT30TT0709U

Description | 7" x .118" x U/A

## ALL-NEW. ALL ABOUT VALUE.

The **T-Blade** from **General Tool** is specially designed for cutting through old, hard concrete, concrete block, hard pavers and brick with ease. **Tall 10mm "T" segments** will provide quick entry and exit to help get the job done fast without sacrificing blade life. All this for a price that is hard to believe.
