

INTRODUCING **QSMAP** PATTERNED DIAMOND PERFORMANCE. COMBO BLADE VERSATILITY.

The **QSMAP patterned diamond combo** blade is designed for fast cutting of cured concrete, green concrete, asphalt, brick, block, and pavers. The tall 13mm patterned segments feature the highest-quality diamonds that are optimally placed, ensuring perpetual exposure throughout the life of the blade. The result is very long blade life and fast cutting speed on a wide range of materials*.

<i>Part Number</i>	<i>Description</i>
QSMAP1412E	14" x .125" x 1/20mm
QSMAP1612E	16" x .125" x 1/20mm
QSMAP1812E	18" x .125" x 1/20mm

*based on internal testing results.
