

# ZENESIS™ EARLY ENTRY BLADES

## WITH THE ALL-NEW NINJA ARBOR

ZENESIS™ Early Entry blades are designed to **last longer** and **cut faster** than standard early entry blades. The ZENESIS™ patterned diamond technology also generates cleaner, smoother cuts in green concrete where time and precision matters. ZENESIS™ Early Entry blades come in many sizes and are **color-coded** to carry out your green concrete needs **from very abrasive to very hard aggregate**. ZENESIS™ Early Entry blades incorporate the **all-new ninja arbor**; designed to make fitment of the blade quick and easy.
